TECHNICAL SKILLS

Languages: Python, VB.net, C#, SQL, MIPS

Frameworks/Libraries: .NET Framework, Entity Framework, Tkinter

Tools: Docker, Git, Cloudflare, MariaDB, nginx

CERTIFICATES

CompTIA TestOut PC Pro Certification

Certificate ID: 6-1C6-NGW52 ([Validation](#))

Eagle Scout

Earned Eagle Scout on July 18, 2018. For my Eagle Scout Project, titled "Love In A Glove Box", I partnered with local businesses and organizations—including Shepherd of the Lake, Shakopee Target, and Olson Dental—to create care bags for homeless individuals in Minneapolis, MN. Each bag contained essential hygiene items such as soap, deodorant, toothpaste, toothbrushes, body wash, and towels, and was distributed to those living on the streets.
